

## ABOUT PANAUST

*PanAust is an Australian-headquartered copper and gold producer in Laos, with pre-development and exploration opportunities in Laos, Papua New Guinea (PNG), Myanmar and Chile.*

The Company's producing assets are the Phu Kham Copper-Gold and Ban Houayxai Gold-Silver Operations. Both are located in PanAust's 2,600 square-kilometre Phu Bia Contract Area in Laos.

In PNG, PanAust holds an 80 per cent interest in the Frieda River Copper-Gold Project. Frieda River is one of the largest known undeveloped copper and gold deposits in the world and offers PanAust excellent potential for the establishment of a world-class, long-life operation.

In Myanmar, PanAust holds an 80 per cent interest in Wuntho Resources Company Limited (WRCL) and has established a joint venture with Myanmar Energy Resources Group International Company Limited (MERG). WRCL hold tenements covering approximately 775 square-kilometre area in Myanmar's Sagaing Region and has applied for additional Exploration Licences in the region.

PanAust is focused on a sustainable business model associated with the production and sale of copper and gold, delivery of production goals, and astute responsible growth.

PanAust is an Australian incorporated company owned by Guangdong Rising H.K. (Holding) Limited which is a wholly owned subsidiary of Guangdong Rising Assets Management Co. Ltd (GRAM).

GRAM is a Chinese state-owned company regulated under the State-owned Assets Supervision and Administration Commission, the People's Government of the Guangdong Province in the People's Republic of China. GRAM operates as an investment company in mineral resource development, electronics, industrial waste management, real estate and finance.

In 2018, Group consolidated annual metal production exceeded targets with 83,680 tonnes (t) of copper in concentrate produced. Gold and silver production totalled 179,357 ounces (oz) and 1,204,516oz respectively in concentrate and doré.

### PANAUST'S COMMITMENT TO SUSTAINABILITY

PanAust defines success holistically. Success requires excellence not only in the physical production of copper and gold, but across all aspects of the business including people, safety, environmental management, community relationships, government engagement, and returns to shareholders.

The Company consistently finds that pursuing business and sustainability outcomes in a complementary manner is mutually beneficial; success in one area facilitates excellence in the other. This approach is enshrined in its Vision and Values and code of conduct, The PanAust Way.
